# ACER CHROMEBOOK PLUS ENTERPRISE 515

Intuitive yet powerful devices that are also easy to deliver, manage and secure – that's the promise of the Acer Chromebook Plus Enterprise 515.

The Acer Chromebook Plus Enterprise 515 offers a new tier of Chromebook performance, emphasizing upgraded hardware, new AI-driven multimedia capabilities and modern processors for maximum productivity and connectivity, be it at the office, out in the field, on the road, or in a busy classroom.

## A Premium Chromebook

By choosing a Chromebook Plus, your users will get:

2x faster device

A more powerful processor

Double the memory and storage

Here's just some of what you'll find under the hood

Up to an Intel® Core™ i7-1355U processor	Up to 16GB of onboard dual-channel LPDDR5X SDRAM system memory	Up to 512GB PCIe Gen4 NVMe storage	Intel® UHD or Iris® Xe Graphics

1 HDMI® 1.4 port	Webcam with shutter and Temporal Noise Reduction	Wi-Fi 6E	Bluetooth® 5.1

## Ease of Use Built-In

Here's some features that your end users will greatly appreciate in their day-to-day machine:

## Reliable Multi-Layer Security

Security is always of the utmost importance, whether you're protecting a school district or an enterprise. With the Acer Chromebook Plus Enterprise 515, you get multi-layer security, including:

- 1** Virus protection that's always up to date.
- 2** Automatic updates that happen in the background (no need to interrupt work or class time!).
- 3** Secure by default with security and safeguards built into every layer.
- 4** No reported ransomware attacks on ChromeOS (ever!).
- 5** No more driver updates, even for your peripherals. Automatic updates cover those, too.

## Creativity and Communication with an AI Boost

With the Acer Chromebook Plus Enterprise 515, you'll be able to empower your users with the advanced capabilities they need to get things done, including:

- Firefly-powered generative AI graphics
- Magic Eraser tool in Google Photos app
- Advanced AI-powered video editing features

These devices also feature AI-powered video-conferencing capabilities, which can automatically enhance clarity and lighting, cancel noise, and blur backgrounds so that your users will always look and sound their best.

## Zero-Touch Enrollment for Education

IT leaders can leverage Chrome Education Upgrade for 24/7 Google support, exclusive management tools and zero-touch enrollment. With zero-touch enrollment, you can have your Chromebooks ship pre-configured and ready for use immediately upon arrival.

How zero-touch enrollment works:

## DON'T FORGET ROI

Recent studies show that Chromebook Plus machines offer an average ROI of

# 245%

## Do More Than You Thought You Could

You need secure devices that are easy to deploy and manage. Your users need machines that are powerful and easy to use. Your organization needs ROI. Why not have it all? You truly don't have to compromise with the Acer Chromebook Plus Enterprise 515.
