

Your next AI Chromebook: THE ACER CHROMEBOOK PLUS ENTERPRISE SPIN 714

This 2-in-1 convertible Chromebook is the embodiment of power and portability, perfect for your on-the-go modern workforce.

A light and modern 2-in-1

The Acer Chromebook Plus Enterprise Spin 714 is a premium, thin, and light (3.21 lbs.) 2-in-1 convertible device that's designed for work in the office or on-the-go.

The Acer Chromebook Plus Enterprise Spin 714's stylus isn't just a writing instrument – it's a sophisticated tool designed for the modern professional.

AI-powered processing with Intel® Core™ Ultra

With Intel® AI Boost, the integrated neural processing unit (NPU) handles sustained AI workloads at low power for greater efficiency. The built-in graphics processing unit is ideal for large workloads that require parallel throughput, and you can rely on the central processor for smaller workloads at low latency.

AI-driven productivity & connectivity

Google AI delivers enhanced productivity and collaboration tools that work out of the box. Some of its many benefits include:

<p>Adaptive charging</p> <p>Use AI to predict device usage patterns and help preserve battery health.</p>	<p>Help me write</p> <p>Easily refine text on any website or in any application.¹</p>	<p>Help me read</p> <p>Summarize any website or PDF with just a click.¹</p>
<p>Screencast</p> <p>Users can quickly record, edit, and share a video, with automated captions and translation in 12 different languages.</p>	<p>Google task</p> <p>A built-in shortcut to Google tasks lets users add or check off to-dos without opening another tab.¹</p>	<p>Focus</p> <p>With focus mode enabled, the user's to-do list and Google Calendar work together for a distraction-free work mode.¹</p>
<p>File Sync</p> <p>Automatically sync files to File Manager, so Google Docs, Sheets, and Slides are always accessible—even when offline.</p>	<p>Enhanced video call controls</p> <p>Automatically enhance clarity and lighting, cancel noise, and blur backgrounds.</p>	<p>Generative wallpapers and video call backgrounds</p> <p>Team members can create personalized backgrounds for any video conferencing app.</p>

Tough enough for all environments

Like all Acer notebooks, the Acer Chromebooks Plus Enterprise Spin 714 is built to last: It's passed MIL-STD 810H military-grade testing, standing up to the toughest tests for mechanical and vibration shock as well as environmental threats like dirt, dust, humidity, and temperature fluctuations. These devices also feature Antimicrobial Corning® Gorilla® Glass displays and spill-resistant keyboards, meaning they'll hold up even in the most demanding environments.

MIL-STD 810H Certified

Best-in-class security that's built-in, not bolted on

ChromeOS is a secure-by-design OS that protects your people from security breaches and your bottom-line profitability from costly attacks.

Chromebooks have zero reported ransomware attacks and 24 percent fewer security attacks overall than other devices, resulting in a 29 percent efficiency gain for IT security teams.²

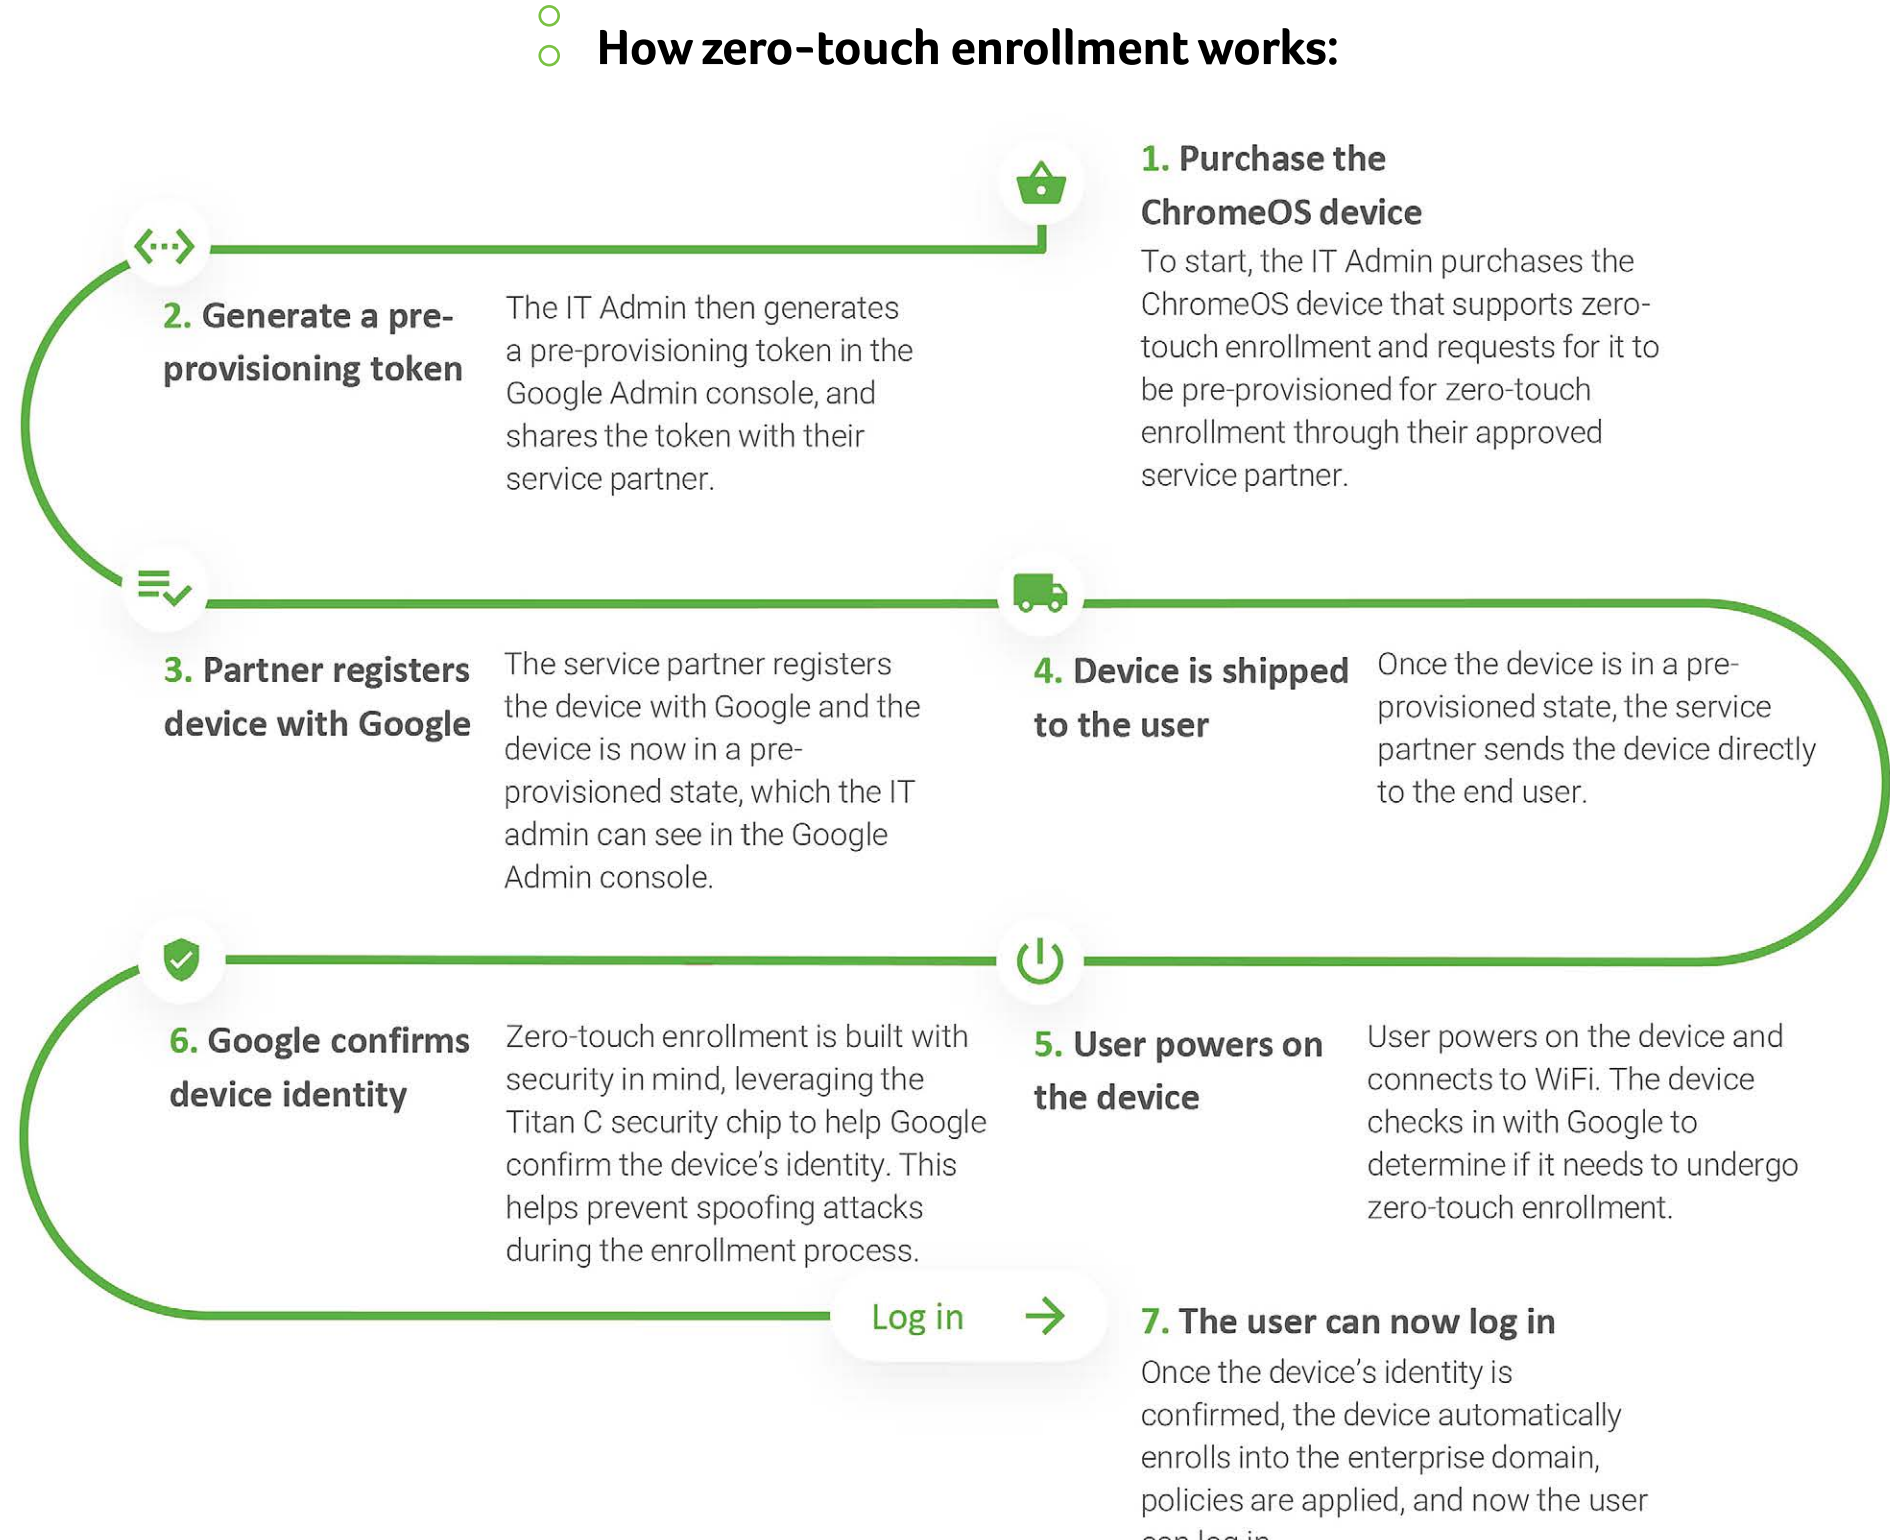

Get the most secure OS out of the box for your organization and improve your ROI with ChromeOS.

Ease of management and deployment for business

Offered as an option for all Acer Chromebook Plus Enterprise Spin 714 devices, Chrome Enterprise Upgrade enables IT administrators to easily manage hundreds to thousands of Chromebook devices. With zero-touch enrollment, you can have your Chromebooks ship pre-configured and ready for use immediately upon arrival, whether administrators are opening the devices for the first time or your end user is. The zero-touch enrollment process is easy: Just follow a few simple steps to set up your configurations via pre-provisioned tokens. From there, you can ship your Acer Chromebook Plus Enterprise Spin 714 laptops directly to the end user at a moment's notice, assured that the machines will arrive configured exactly as desired.

How zero-touch enrollment works:

You can do it all with this AI-driven Chromebook

Give your organization an AI-powered productivity boost that's future-proof and sure to please your end users, your team, and your bottom line with the Acer Chromebook Plus Enterprise Spin 714.
